

## Single Source SM-Plus for Sage MAS 500 ERP Demo Schedule and Registration

### About the Demonstrations

We conduct demonstrations on Mondays, Wednesdays and Fridays each week, alternating which day of a week a particular product is featured. Demonstration topics and times are set one week in advance. There are three demonstrations, each on the features of a particular edition of SM-Plus for Sage MAS 500...Advanced, Express or EAM. Each webinar is instructor-led by a product specialist and lasts approximately one hour.

### Please indicate the product you would like to see demonstrated:

**SM-Plus Express** Manages the key service operations, including Service Management, Resource Scheduling & Dispatch, Service Contracts and Warranty Tracking. *If you are unsure which edition is best suited to your needs, this demo provides the basic concepts of the product.*

**SM-Plus Advanced** Manages every aspect of service operations, including Incident Tracking, Resource Scheduling & Dispatch, Service Contracts, Warranty Tracking and Expense Reimbursement.

**SM-Plus Enterprise Asset Management (EAM)** Manages every aspect of preventive maintenance operations with the core application modules of Incident Tracking, Resources Scheduling, Service Management, Unit Configuration, Warranty Tracking and Expense Tracking & Reconciliation,
